

2023 Midwest & Plains Equity Assistance Center

Equity Leaders Institute

*Advancing Equity-Oriented Leadership:
Staying Intentional in Challenging Times*

September 21-22, 2023

In Person: Indianapolis, IN

Equity Leaders Institutes provide opportunities for education practitioners to engage in two full days of intensive collegial study, discussion, and custom planning related to leadership practices for the advancement of educational equity in local settings.

This year's *Institute* will bring together State Agency Stakeholders, Building and Classroom Educators, District Leadership, and Parents/Caregivers who are continuously working towards sustaining equitable educational environments, particularly in our current social and legislative climate.
